2010 SUMMER REGISTRATION

Dear Parents or Guardian:

Thank you for your interest in Parkside's Summer Enrichment Program. We are excited to be able to engage your child in 6 weeks (8 weeks for Preschool) of fun, project-based hands-on learning activities that will propel them to educational success. And they will be in a safe, family oriented environment

The theme for this summer is ***Made For A Purpose***. Students will engage in activities that will coordinate with each weekly theme. Activities include academic enrichment in reading, writing, math, and science/technology, as well as periods for active play and language lab. Afternoon projects will be fun hands-on activities that promote active learning and problem-solving. We will end each week with a field trip that allows students to interact with the weekly theme experientially.

The hours for the program are from **8:30 am to 5:00 pm**. You may drop your child off anytime between 8:00 am and 8:30 am. There is no additional care beyond these hours. Morning snack, lunch and afternoon snack will be served.

Please fill out the enclosed Registration Form and submit a deposit to secure your child's space for the summer. Once your deposit is received, you will receive your orientation packet with all of the necessary forms to be returned and what to wear and bring. **Your child must have an updated immunization record and physical exam to attend the summer program.** The cost for each week is \$180 and you must sign up for a minimum of 3 weeks. The deposit is equal to ½ of your total cost for the summer. Your deposits are due by **May 1, 2010** and the full payment is due **June 1, 2010**.

For parents who are planning to enroll at Parkside Christian Academy in the Fall, you do not have to submit a summer registration deposit – just the Fall Registration Deposit. You have the option to either pay the entire cost of the Summer Enrichment Program by the June 1 deadline OR pay monthly over a period of 12 months for the Summer Enrichment Program and the Fall Tuition Cost starting on **June 1, 2010**.

We look forward to having an enriching time this summer. Please let us know if you have any questions regarding the details.

Sincerely,

Ms. Nafeesha Moore
Director of the Summer Enrichment Program
