

Weekly Sheet for First Grade

Miss Lemelin

LLemelin@parksideca.org

Week 1, August 30th–September 2, 2011

Hello First Grade Families! Welcome back! We are so excited for this year to begin! This week we are primarily focusing on rules, expectations, routines, and procedures within our classroom and within our school community. We will also be engaging in many fun “getting to know you” and community building activities. You will notice your child has a F.R.O.G. binder. Please read the accompanying parent/guardian letter inside the take home folder found in the binder. Please remember that September 8, 2011 is open house. There you will receive important information regarding the upcoming year in first grade!

	<u>In Class</u>	<u>Homework Assignments</u>
