Special events

Dear Parents,

During the month of February we are going to need a lot of help and support from you! Ms. Chris will be spending a lot of time teaching K1 the Black National anthem "*Lift Every Voice and Sing.*" Please encourage your child to practice at home. It will be beneficial to them as well as to us who would like for them to understand a piece of African America heritage.

We are also asking you as parents to help our students get excited this week in regards to celebrating our "*100 days of school!*"

Blessings,

K1 Teachers
