Special Events

Dear Parents,

During the month of February we are going to need a lot of help and support from you! Ms. Chris will be spending a lot of time teaching K1 the Black National anthem *"Lift Every Voice and Sing."* Please encourage your child to practice at home. It will be beneficial to them as well as to us who would like for them to understand a piece of African American heritage.

Thank you very much for bringing to school the one hundred items. We had an exciting week celebrating our *"100th Day of school!"*

Blessings,

K1 Teachers
