Week # 11-14, November, 2011

November School Wide Memory Verse:

Galatians 3:14 He redeemed us in order that the blessing given to Abraham might come to the Gentiles through Christ Jesus, so that by faith we might receive the promise of the Spirit.

Topics/Content/Skills:

Website Project

Create a website to be used as your online portfolio for the work you will be doing in school this year. The website will have the following pages:

- index.html
 - Your picture
 - Your bio
 - A list of your classes
 - Each class in the list should have a link to a web page for that class e.g. math.html, ela.html

Your website must make use of the following tags:

- <html>
- <head>
- <title>
- <meta description="">
- <style>
 - All styling must be done via CSS
- <script>
 - When a user goes to index.html, they must get a pop-up welcoming them to your website
- <body>
- <table>
-
- <p>

- <a>
- <div>
-
- <form>
 - Add a form to the main page that allows a viewer to send you a note and their email to you email
- <label>
- <input>

Vocabulary/Key Terms/Formulas:

- Sitemap
- Wireframe
- HTTP
- HTML
- Various HTML tags and their corresponding attributes

Homework:

Week 1	<ul style="list-style-type: none"> • Project sitemap • Wireframes for project web pages
Week 2	<ul style="list-style-type: none"> • Work on project
Week 3	<ul style="list-style-type: none"> • Work on project
Week 4	<ul style="list-style-type: none"> • Work on project
Week 5	<ul style="list-style-type: none"> • Work on project

Tests:

Week 1	
Week 2	
Week 3	HTML

Week 4	
Week 5	Everything

Special Events/News:

- Website project is due at the last class

Extra-ordinaries/Mastery Review Topics:

- App development for Android devices
